EDUCATION

- B.Sc. (Hons) in Management and Information Technology (Reading) - University of Kelaniya (2025 - present)
- Higher Diploma in English – SDFL Sri Lanka - The Beeline Campus
- G.C.E. A/L (Physical Science: 1A, 2Bs)

TECHNICAL SKILLS

- Languages & Web: Python, C++, JavaScript, TypeScript, HTML/CSS
- Frameworks & Libs: React, Node.js, Express, Pandas, NumPy
- Databases: MySQL, Relational Database (SQL)
- Cloud & Tools: Azure, Docker, Git/GitHub, VS Code

SOFT SKILLS

- Communication Skills
- Teamwork & Collaboration
- Problem-Solving & Analytical Thinking
- Time Management & Adaptability

LANGUAGE PROFICIENCY

- English (PP)
- Sinhala (NP)
- Tamil (Basic Level of understanding)

YASASRI MALSHANI

Undergraduate | Data Science & Full-Stack Development

ABOUT ME

A motivated and responsible Management & Information Technology undergraduate with strong technical skills in full-stack web development, data analysis, and project execution. Seeking internship opportunities to apply practical experience in software development and data-driven solutions.

ACHIEVEMENTS

- Winner (Innovation Category) & Most Popular Team – InCo 2026
- Won 1st place in Innovation at the 12th Invention Convention (UOK) for InhaloSafe – a smart UV-C inhaler device with a mobile app.

CERTIFICATIONS

- Python for Beginners – University of Moratuwa
- Web Design for Beginners – University of Moratuwa
- AI/ML Engineer – Stage 1 | SLIIT – Centre for Open and Distance Education (CODE)
- Pandas (Data Analysis & Manipulation) – Kaggle
- Python – Kaggle
- Foundations of Project Management – University of Moratuwa
- Introduction to Data Science – Cisco Networking Academy
- Data Visualization – Kaggle

PROJECTS

- Planora – Full-Stack Task Management System - Built and deployed a real-time task platform using React, Node.js, MySQL, Socket.IO, and Azure.
- Pet Adoption & Management System - Developed a management application using OOP principles and Relational Database (SQL) with full CRUD support.
- Dynamic Tic-Tac-Toe Game (C++) - Developed a modular console game featuring dynamic board sizes and an Undo/Redo move system.
